## Summary

Full stack web developer with graphic design and teaching experience. Strengths include collaboration, project management, and communication. Juggled teaching English, Creative Coding, and Aerobic Conditioning with a remote part-time graphic design position at a small homebuilding company. Produced excellent print and digital marketing materials by required production deadlines. I'm excited to apply my strong work ethic and ability to successfully manage competing priorities to a fast-paced, quality-driven web development team.

## Technical Skills

HTML5, CSS3, Javascript, JQuery, Bootstrap, PHP, Firebase, Node Js, MySQL, Express, MongoDB, Handelbars.js and ReactJS, as well as Adobe Photoshop, Illustrator, and InDesign

## Projects

### Hike & Forage Utah

lindseypaluso.github.io/hikeandforageapp | github.com/lindseypaluso/hikeandforageapp/

- Awarded "Most Overall Original Concept" for connecting users with hikes to forage plants.
- Integrated data received from multiple server-side API requests into user-friendly formats.
- Languages used: HTML, CSS, Javascript, JQuery, & Bootstrap.

## Experience

### Graphic Design and Marketing Team Member

2017 – Present

#### Bellago Homes

Mesa, AZ

*Remote & part-time year-round with full-time summers*

- Utilize Photoshop, Illustrator, and InDesign to produce and revise marketing materials.
- Evaluate the efficiency of all printed and electronic marketing materials.

#### *Key Accomplishments:*

- Crafted floor plan, plat map, and price sheet brochures for 6 brand-new communities.

### Secondary Education Teacher

2018 – 2020

#### Nebo School District – Diamond Fork Junior High

Spanish Fork, UT

*7th grade English, Creative Coding, and Aerobic Conditioning*

- Collaborated with team teachers to produce and present standards-based curriculum.
- Evaluated student proficiency in reading and writing, as well as HTML and Javascript.

#### *Key Accomplishments:*

- Wrote, planned out, and taught 4 different subject area lessons every day.
- Founded a "Girls Who Code" club chapter at Diamond Fork Junior High.
- Coordinated a club field trip to the University of Utah to explore the engineering program.
